

# WITH V.ALRT HELP IS ONLY A BUTTON PRESS AWAY

A CONVENIENT & AFFORDABLE WAY TO GET ASSISTANCE WITH NO MONTHLY FEES

Introducing V.ALRT Personal Emergency Response Device, a small wearable solution that works seamlessly with your smartphone to reach your key contacts when you need help.

Feel more confident when jogging late at night, when your child is out for a bike ride, or when elderly parents or those with pre-existing medical conditions might need some assistance.

Enjoy the freedom and confidence knowing you have 24/7/365 alert functionality with a battery that lasts for up to 1 year.

Users can take advantage of silent mode for use as a mobile panic button. Automatic GPS location pinpoints your position. V.ALRT gives you the peace of mind in life's most unexpected situations.

## SPECIFICATIONS

Size: 1.3" diameter, 0.4" thick, 0.3 ounces | Battery Type: Replaceable CR2032 battery | Accessories: Wristband and pendant/keychain included (neck strap is not included) | Smartphone Platforms: iOS 7 or newer and Android 4.3+ with Bluetooth 4.0.

## FEATURE BENEFITS

No Monthly Service Fees.

Customized Texts & Calls. Your smartphone will send a customized text message and automatically place calls to 3 pre-set contacts to get the help you need.

GPS Location. Provide your GPS location with critical information as to your whereabouts.

No Charging. Up to one year battery life.

Automatic Fall Detection. Enables an alert to be sent automatically after a detected fall.

Waterproof. Durable design allows for protection in up to 3.3 feet of water for up to 30 minutes.

Extended Wireless Range: Up to 75' indoor and 300' outdoor.

Silent Alert mode. Available for times when discrete operation is essential.

iPhone & Android Compatible
